

Entry Level Civil Engineer

Information:

- PEPG Consulting is located in Sandy, Utah and provides Land Surveying and Civil Engineering. Our engineering department provides a wide variety of civil engineering services to both the private and public sectors. We are currently experiencing rapid growth and are looking for a Civil Engineering graduate or Civil Engineering student graduating in December 2014 to join our team. The start date for this position is flexible.
- PEPG offers a competitive salary and benefits package.
- To apply, submit your resume with references to ryan@pepg.net.

Requirements:

- Enthusiastic self-starter with excellent verbal, written, and interpersonal skills. Must have outstanding organizational skills to work on several simultaneous projects.
- Bachelor's degree in Civil Engineering and an EIT certificate (passed the FE exam).

Not required, but beneficial:

- Proficiency with AutoCAD Civil 3D.
- Proficiency in storm water software (HEC-HMS, HEC-RAS, and HY-8) and with Microsoft Office.
- Civil engineering work experience.
