MUNICIPAL LANDFILL

JUNIOR CIVIL ENGINEER - SUMMER INTERNSHIP

Trans-Jordan Cities operates the Trans-Jordan Landfill, located in the southwestern area of Salt Lake County and serves the citizens of Draper, Midvale, Murray, Sandy, South Jordan, Riverton, and West Jordan Cities. We are seeking a qualified junior engineer for a summer internship, to be based at our offices in South Jordan, Utah.

Candidates should be self motivated, bright, and currently majoring in Civil or Environmental Engineering with a minimum of two years completed toward a degree. Candidates must have some knowledge of personal computers, AutoCAD, Surveying, good writing skills, a desire to work in the field to inspect construction projects, and a love for seagulls.

Interviewees for an on-site interview will be chosen based on submitted resumes. You may mail, fax, or e-mail your resume with an interest letter by March 15, 2013 to:
