ENGINEERING INTERN - The City of Pleasant Grove, Utah is looking for an Intern to provide support to the City Engineer. Position is an hourly job and classified as overtime – non-exempt. Hourly requirements are expected at 40 hours per week during the summer months. Pay scale is $11.00 - $14.00 depending on experience.

Minimum requirements:
- Acceptance into the Civil Engineering program of BYU, the U of U, or Utah State. Full time student in good academic standing. (submit verification of status)
- Eligible to work in the United States.
- Posses a valid Driver’s License (submit a copy of license and certified driving history from the State of issue).
- Be capable of vigorous physical effort including opening manholes, lifting grates, walking over uneven terrain, and extended hours outdoors.

Desired skills/experience:
- Experience with GIS software and database management.
- Understanding of construction traffic control design, review, and maintenance.
- Experience with common traffic studies such as multi-way stop, speed limits, and crosswalk location.
- Previous experience with municipal engineering or public works.
- Students with a graduation date of December 2014 or later.

Applications, and complete job description, may be downloaded from the City’s website www.pgc.org. An application, resume, and supporting documents noted above should be submitted to Degen Lewis, City Engineer by 12:00 Noon, Friday, April 12th at the Community Development Offices located at 86 East 100 South in Pleasant Grove, by email at dlewis@pgcity.org, or by fax at 801-785-5667.

If you would like to apply for this job opening and need assistance due to a disability, please notify The City of Pleasant Grove two (2) days or more in advance regarding the type of assistance you require by calling Kathy Kresser at 801-785-5045. The City of Pleasant Grove is an Equal Opportunity Employer.
