

DEAN L. WEBB & ASSOCIATES  
CONSULTING ENGINEERS

---

580 East 9400 South Sandy, UT 84070  
(801) 576-6414 Fax: (801) 576-6424

Dean L. Webb & Associates, Consulting Structural Engineers is currently looking for a structural engineering intern to help with drafting in AutoCAD and with the design of various structural related projects. Applicants should be willing to work a minimum of 10 to 15 hours a week, but we are willing to work around your school schedule. Those interested should contact Dean L. Webb or Robert Conder for more information.

Office number: 801.576.6414
