Job Description:
URS Corporation is seeking an Civil Engineer o be based in our Salt Lake City, UT location.

With nearly 100,000 employees — including architects, engineers, designers, planners, scientists and management and construction services professionals — serving clients in more than 150 countries around the world following the acquisition of URS, AECOM is a premier, fully integrated infrastructure and support services firm. AECOM is ranked as the #1 engineering design firm by revenue in Engineering News-Record magazine’s annual industry rankings. The company is a leader in all of the key markets that it serves, including transportation, facilities, environmental, energy, oil and gas, water, high-rise buildings and government. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural and social environments. A Fortune 500 company, AECOM companies, including URS, had revenue of $19.2 billion during the 12 months ended June 30, 2014. More information on AECOM and its services can be found at www.aecom.com

Global Management & Operations Services—Managing high-risk, technically complex programs and facilities for government clients is an area of expertise. We are the market leader in nuclear and high-hazard environmental management for the U.S. Department of Energy and are expanding that expertise to similar markets in Europe. We are also the only company in the United States to stabilize high-level radioactive waste.

Position Description
Civil engineer(s) needed to support the planning, permitting, design, and construction quality assurance for a wide range of opportunities in AECOM. Successful candidate(s) may work in civil planning, design, and construction oversight in all aspects of landfills and other large earthen projects. Engineer(s) may work on a team or with experienced managers, and with subcontractors. Some travel is required as locations span the U.S. Perform all other position related duties as assigned or requested.

We invite you to take the next step toward THE BEST WORK OF YOUR LIFE.
